Our goal this year at Catholic Advocate, with our affiliated organizations Catholic Advocate Voice and the Catholic Advocate Candidate Fund, is to build a strong foundation with the resources needed for effective participation in the 2012 public debate.

Our mission at Catholic Advocate is "to engage and encourage faithful Catholics to actively participate in the political process to support elected officials and policies that remain consistent with the teachings of the Catholic Church."

To this end, we have created a 501(c)3, 501(c)4, and a Political Action Committee (PAC) to participate fully in every aspect of electing good Catholic Members of Congress and defeating those supporting policies contrary to the teachings of the Church. You can visit our website at <http://catholicadvocate.com/> to learn more about how we have integrated each organization to work together.

Along with Matt Smith, vice president, and Brenda Steele, director, I look forward to seeing you out on the course on June 13, 2011.

All the best,
